The 25th Congress of Chinese Society of Pathology (CSP) and the 9th Annual Conference of Chinese Pathologists will be held from 14th to 17th November 2019 at Zhengzhou International Exhibition Centre in Zhengzhou, Henan Province. Sponsored by Chinese Medical Association and Chinese Society of Pathology (CSP), this event is organized by Henan Provincial Medical Association and Henan Provincial Society of Pathology.

CSP has a history of almost 100 years and is the biggest official organization for Chinese pathologists and technicians, which are estimated to be over 35,000 including 18,000 pathologists. It has an important role in promoting education and research, with its subdivisions covering every specialty from cytology, head and neck, GI, breast, soft tissue to molecular medicine. The annual meeting usually attracts more than 4,000 attendees from all over China. CSP has a commitment to bringing in the state of art knowledge to Chinese pathologists and help them go out to make a voice on the international stage. CSP annual pathology conference is the largest pathology event in Asia and reflects the highest academic level in China. Please refer to the following website to have a taste of the grand occasion of 2018 (24th) Congress of Chinese Society of Pathology in Chengdu - - <http://csp2018.incongress.cn/csp2018/>
